**ENVIRONMENTAL ADVISORY COUNCIL TIP: AIR SEALING YOUR HOME**

- Gaps around doors and windows that let in outside air or let heat escape in the wintertime.
- The Department of Energy says that this can lead to a 5-30% waste of energy use.
- Putting weather stripping around doors and windows will lower your carbon footprint and save you money on your heating and cooling bill.

Time: 5:30 PM - 6:30 PM

## Ceramic Miniatures

Join InDiStudio for an immersive two-hour workshop that will inspire your artistic side and introduce you to the enchanting world of botanical plaster casting.

With your own hands, you'll work with malleable clay to shape and design, pressing in the delicate textures of leaves, flowers, or any botanical of your choice. As you familiarize yourself with the mold-making process, you'll mix and pour plaster, transforming your designs into three-dimensional art. Watch as your work solidifies into three exquisite miniature botanical castings, ready for the finishing touch. We provide all the supplies you need to paint and personalize your creations, making them truly your own.

Whether you're looking to add a touch of nature to your home decor or craft a thoughtful, hand-made gift, this workshop offers a perfect blend of education and creativity.

## Drivers Education

Distracted driving kills 4,000 teens a year. John's Driving School's 30 Hour Online Driver's Education: PA Novice Driver's Ed S.P.I.D.E.R. Course is approved by the PA Dept. of Education. Powered by S.P.I.D.E.R., a proprietary method developed by the world's top behavioral and driving experts, this course provides a simple set of tools that will help new drivers make safer choices and avoid collision.

Just as spiders skillfully and anticipatorily weave their webs to trap prey and deter predators, using the S.P.I.D.E.R. Method means to: SCAN surroundings actively, PREDICT potential hazards, IDENTIFY risks in real-time, DECIDE the best course of action, EXECUTE decision effectively, and REFLECT the outcome and adapt accordingly.

The PA Novice Driver's Ed S.P.I.D.E.R. Online Course is approved by the Pennsylvania Department of Education and is structured to meet the requirements of the Department. Once registered Johns' Driving School will email access to the 13 Chapter/30 Hour Course. Students must complete each chapter to advance to the next and are limited to 2 hours per day. The course must be completed within 1 year from date of registration. Upon course completion and passing the final exam the Certificate of Completion will be emailed by John's Driving School! **Ages 15-18**.
